### Large Format

#### New HP 836 Universal Latex Printhead (4UU95A)

May 2025

As part of HP's continuous value delivery and portfolio update, HP Large Format Business Unit has introduced the new **HP 836 Universal Latex Printhead (4UU95A)**

In line with the proposal to simplify and improve customer experience, the new HP 836 Universal Latex Printhead (4UU95A) is replacing and consolidating the existing HP 836 Latex Printhead series (4UVxxA).

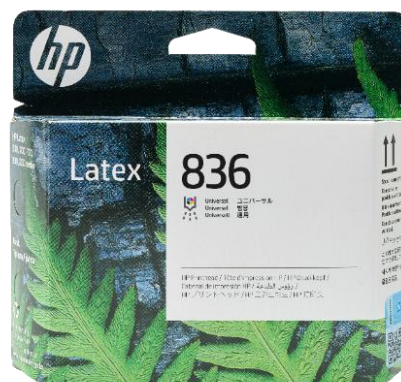

Starting in May 2025, the existing products will be discontinued (Discontinued SKUs), and a new product number (New SKU) will be available. See the following equivalence for compatibility:

Discontinued SKU		New SKU	
<b>4UV95A</b>	HP 836 Black/Cyan Latex Printhead	<b>4UU95A</b>	HP 836 Universal Latex Printhead
<b>4UV96A</b>	HP 836 Magenta/Yellow Latex Printhead		
<b>4UV97A</b>	HP 836 Light Cyan/Light Magenta Latex Printhead		
<b>4UV98A</b>	HP 836 Overcoat Latex Printhead		

*HP Distributors with the relevant Exhibit(s) for HP Large Format Production Supplies will be able to purchase the discontinued cartridges from HP for as long as supplies last. If stock remains after May 2025, HP may accept orders to sell the remaining inventory at its discretion.*

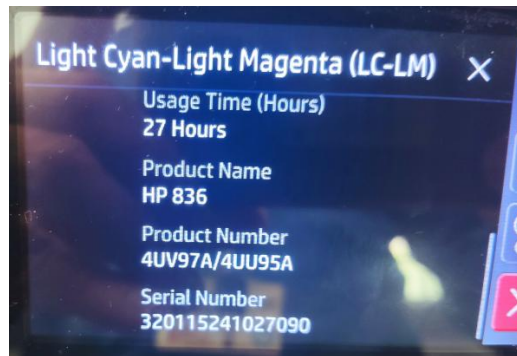

The printer compatibility for the new HP 836 Universal Latex Printhead (4UU95A) remains the same, adding the new launches in April 2025:

- HP Latex 630 Printer Series
- HP Latex 700/800 Printer Series
- **NEW** HP Latex 730/830 Printer Series

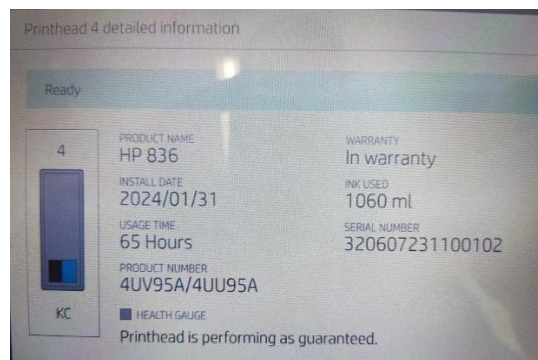

Product functionality is not impacted by this change.

- The new Product Number is added to the front panel of the printer, next to the existing one:

HP Latex 630 printer series

HP Latex 700/800 printer series

- For existing printers, update to the latest firmware available on the product manuals page to ensure that the printer shows this supply compatibility properly in the front panel.

**HP Latex 630 Printer series** → firmware version from March 2025 onwards

**HP Latex 700 and 800 Printer series** → firmware version from May 2025 onwards

*Existing customer inventory Supplies are fully compatible and useful with the existing HP Latex 630/630W, HP Latex 700/700W, and HP Latex 800/800W printer series after the mandatory firmware upgrade, and DO NOT to be returned.*

- HP 836 Latex Printheads can be returned free of charge to HP Planet Partners<sup>1</sup>

**NOTES:**

1. Availability varies; see [hp.com/hprecycle](https://hp.com/hprecycle) for more details.
