New HP 833 Latex Maintenance Cartridge (9T062A)

New HP 833/838 Latex Ink Collection Unit (2-unit pack) (9T064A)

May 2025

As part of HP's continuous value delivery and portfolio update, HP Large Format Business Unit has introduced the new **HP 833 Latex Maintenance Cartridge** with a 50% more cleaning cloth and an Ink Collection Unit (included in the consumable).

Both new Maintenance Cartridges functionality is complemented with the new **HP 833/838 Latex Ink Collection Unit (2-unit pack)**, a user-replaceable consumable that helps to ensure the full usage of the Maintenance Cartridge's cleaning cloth, independently of the printer's usage.

HP 833 Latex Maintenance Cartridge

HP 833/838 Latex Ink Collection Unit (2-unit pack)

- This new Maintenance Cartridge solution is a big step towards HP's 2030 sustainability goals:
 - ✓ Made up with at least 45% of recycled plastic¹.
 - ✓ With at least 50% more life to reduce the number of Maintenance Cartridge replacements.
 - ✓ Use of carton-based recyclable packaging by removing foam endcaps.
 - ✓ Reduction of single-use plastics, reusing the shipment zip-lock plastic bag.
 - ✓ Included in the HP Planet Partners program².

- Starting in May 2025, the existing products will be discontinued (Discontinued SKUs), and new product numbers (New SKUs) will be available. See following equivalence for compatibility:

Discontinued SKU		New SKU	
4UV99A	HP Latex Maintenance Cartridge	9T062A	HP 833 Latex Maintenance Cartridge
N.A.		9T064A	HP 833/838 Latex Ink Collection Unit (2-unit pack)

HP Distributors with the relevant Exhibit(s) for HP Large Format Production Supplies will be able to purchase the discontinued cartridges from HP for as long as supplies last. If stock remains after May 2025, HP may accept orders to sell the remaining inventory at its discretion.

Printer model	Discontinued SKU	New SKU	
	N/A	HP 833	HP 833/838
	4UV99A	9T062A	9T064A
HP Latex 630 Printer Series	•	•	•

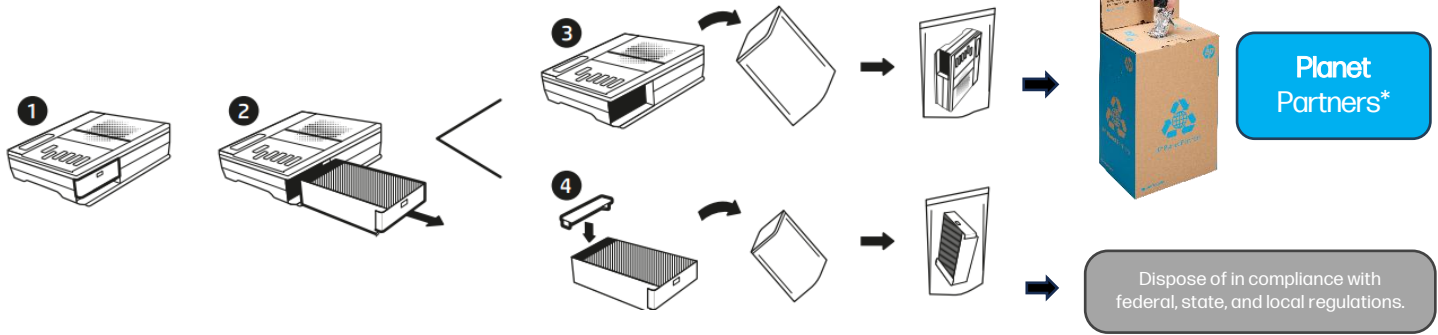

- For existing printers, update to the latest firmware available in the product manuals page, to ensure that the printer accepts these new supplies functionality.

[HP Latex 630 Printer series](#) → firmware version from March 2025 onwards

Existing customer inventory Supplies are fully compatible and useful with the existing HP Latex 630/630W, HP Latex 700/700W and HP Latex 800/800W printer series after the mandatory firmware upgrade and ARE NOT to be returned.

- HP Latex Maintenance Cartridges can be returned free of charge to HP Partners²

NOTES:

1. Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled is based on the definition set in the EPEAT standard for imaging equipment, IEEE 1680.2.
2. Availability varies, see [hp.com/hprecycle](https://www.hp.com/hprecycle) for more details.
