

# Engineered to last.

# 10 Year

## Warranty backed by 3M.

3M warrants that applied 3M™ Paint Protection Film Pro Series will be free of defects in materials and manufacture — including yellowing, bubbling or cracking — for ten (10) years from date of purchase. This warranty does not apply to damage caused by misuse, accident, misapplication or ordinary wear, nor does it apply to dents caused by physical impact of rocks or road debris. The warranty is transferable, provided that the owner of the vehicle has the original paint protection film warranty paperwork. If there is a breach of this warranty, then 3M will have an installer remove the old film and apply new 3M™ Paint Protection Film Pro Series. Some installers may choose to offer, on their own behalf, different or additional warranties or remedies, beyond the limited warranty and limited remedy offered by 3M. This warranty does not apply to headlight or uncleared film.

## Improved adhesive. Improved results.

## Repel, resist, recover.

Scotchgard™ Paint Protection Film Pro Series 200 Gloss is a new installer friendly paint protection film with optimized adhesive for repositioning, minimizing lift lines and adhesive marks.

Designed to protect automotive paint and other vulnerable surfaces of the vehicle from stone chips, scratches, bug damage, road tar, stains, automotive fluid stains and punishing outdoor weathering including harsh ultraviolet (UV) radiation.
